

Booking Manager and Customer-Facing Comparison

Booking Manager View

The screenshot shows the 'Edit Item - Attributes' page in the Booking Manager. The page title is 'Edit Item - Attributes' with a subtitle: 'This is where you assign important attributes such as allocation, parameters, visibility, and inventory of your item.' The 'Inventory' section shows a quantity of 15 and 'Unlimited Inventory' set to 'OFF'. The 'Parameters' section contains a table with columns: Name, Inventory, Visibility, Min/Max per Booking, and Details.

Name	Inventory	Visibility	Min/Max per Booking	Details
Controls Inventory	15			
Adults (required)	∞	Everyone	0 / 0	Edit
Children	∞	Everyone	0 / 0	Edit

At the bottom, there are buttons for '+ Create a Parameter' and 'Attach an existing Parameter'. A red line connects the 'Unlimited Inventory' 'OFF' toggle to the 'Adults' parameter in the table below.

Customer Booking View

The screenshot shows the customer-facing booking page for 'The Zip - Zipline Tour'. It includes a navigation bar with 'Details', 'Availability', 'Photos', and 'Book Now'. The 'Book Now' button is active. The 'Date' is set to 12/02/17. The 'Time' slot is selected as 10:00 am - 11:00 am. The 'Adults' count is 1 at \$117.00, and the 'Children' count is 1 at \$99.00. The total price for 'Sat Dec 2, 2017' is \$216.00. There is an 'Apply Promo or Voucher' section and 'Close' and 'Continue' buttons. Two red circles are placed over the 'Adults' and 'Children' counts, with a red line connecting them to the 'Unlimited Inventory' toggle in the Booking Manager view.
